

Provost's Administrative Report
11-16-2023

1. Search Updates

- CECS Dean Search—Based on several critical priorities, the CECS Heads unanimously support extending Interim Dean Nasab’s appointment through the 2024-25 academic year. We are in discussions with Dr. Nasab about that possibility.
- Vice Chancellor for Enrollment Management and Student Affairs—The timeline for this recruitment is posted on a dedicated webpage <https://www.utc.edu/chancellor/executive-searches/vice-chancellor-of-enrollment-management-and-student-affairs/vice-chancellor-of-emsa-search-committee>
 - We are on schedule with that timeline
- Dean of the Library—Our partners at WittKieffer held a listening session with library faculty and staff. Based on that session the committee is working on the Leadership Profile.

2. Workflow Policy

The last of the college workload policies was submitted last week.

They are diverse in nature and will be shared after I've had a chance to review them.

3. Academic Calendar Review

There is a false narrative that specific changes have already been decided upon. That is *false*. The ad hoc review committee has one more listening session to complete and will make recommendations to the Executive Leadership Team later this month.
