Please answer the following:

1. Describe the nature of the leadership experience (in your own words). What have you accomplished in your first semester? What challenges have you encountered? What are your goals moving forward?
  
2. What specific duties and responsibilities will you undertake in this role? How many people are you coordinating?
  
3. How will the experience help you develop the Honors College learning objectives?
  - 1) Collaborate productively;
  - 2) Revise based on feedback;
  - 3) Participate professionally and/or publicize research and/or creative activity;
  - 4) Engage with the community with inclusive awareness.
  
4. How will the experience advance you toward future accomplishments?

**Students must also submit a signed statement or email from your supervisor that confirms your participation in the experience and, when applicable, lists all duties associated with the experience and the start and completion dates.**
