

## How to Use MocsNet

Mocs Net is a quick and easy website that allows UTC students to access important information such as final grades, GPA, detailed class schedules, finances, and much more.

1. To access your Mocs Net, go to [www.utc.edu](http://www.utc.edu) and find *My MocsNet* in the right corner.

2. Once logged in, look at the main sections of the page:

- Home
- Academics
- Services
- Money
- Campus Life
- Help

- Each section will be able to guide you through the different services.

- Money is an important page where a section shows if there are holds on your account. A yellow/red flag will show a hold and a green means no hold.

-

- The Academics tab is also essential because if you are an undergrad, the link titled *MyMocsDegree* will show your current GPA and what requirements are needed for graduation.
