

THE ACADEMICS

College of Arts and Sciences
Gary W. Rollins College of Business
College of Engineering and Computer Science
College of Health, Education and Professional Studies
Honors College

UTC offers over 100 undergraduate programs in four colleges, plus the Honors College. All Mocs complete core studies in general education. Courses curated from disciplines across campus let you explore your interests and build a solid foundation for your bachelor's degree.

And we're redefining classrooms. Students are on-site and hands-on at local businesses and non-profits, on rivers, trails and climbing walls, and across the globe—pairing up what the classroom and experience have taught them. Our students are better-prepared for tomorrow—wherever it happens.

COLLEGE OF ARTS AND SCIENCES
