The schedule above does not include online access fee assessed at \$56 per credit hour. All students enrolled in an on-campus program or a degree designated as on-campus and choose to register for an online course offering will be assessed from the regular fee schedule, in addition to being assessed the online support fee based on the appropriate per hour basis.

The schedule above does not include differential fees assessed at \$59 per credit hour for College of Business, College of Engineering and Computer Science, and Doctorate programs for Physical Therapy and Occupational Therapy courses; as well as, differential fees assessed at \$102 per credit hour for School of Nursing courses. The total amount paid depends on the number of credit hours taken.

The 'TN Bordering State' rate is a newly approved 'Non-Resident Tuition' rate that began Fall 2020. All out-of-state students from a Tennessee bordering state (Alabama, Arkansas, Georgia, Kentucky, Mississippi, Missouri, North Carolina, South Carolina or Virginia) will be assessed a new 'Non-Resident Tuition' rate of \$8,064.

Out of state students from Catoosa, Dade, Fannin, Murray, Walker and Whitfield counties in North Georgia and Jackson county in Alabama may qualify to receive a Regional Tuition Discount to their "Non-Resident Tuition". Students receive a 50% discount credit of the "Non-Resident Tuition" to their account. The amounts above are shown net of this discount.
