For questions or referrals contact Theresa-Blackman@utc.edu

Other important updates

Campaign Suggestion!

Add a statement about major changes to your campaign emails.

Example: "CHANGING MAJORS: Advisors are assigned based on a student's major. If you are changing to a major outside of _____, please let me know by email ASAP so I can remove you from my advisee list and give you instructions for next steps. Please note, delaying your change of major may impact your ability to register on time."

As a reminder, during the weekend of October 8-10, the UTC Information Technology department will be moving your Office 365 account to the University of Tennessee system-wide Microsoft environment. This move is part of the 'One UT' initiative and will provide all employees simplified collaboration to all your Microsoft applications, along with better security. This move will impact all Microsoft Office applications including:

- Outlook (Email)
- OneDrive
- SharePoint
- Teams

The migration window starts on Friday, October 8th at 5pm and services are expected to be restored by Monday, October 11th at 7am.

Sync Your Account Password

Prior to October 8th, you will need to change your password using the following link: <https://utc.edu/employee365pw>

To learn more about how this migration will impact you and the next steps you should take, please visit the "For Employees" section of the Microsoft O365 Migration website at <https://utc.edu/office365>. Please contact the Help Desk if you have any questions.
