

Application for admission to the Accelerated BSN.

Your nursing application will include two sections. The first section will include general questions and the second section will ask you to upload your resume and essay. To move to the second section of the application, you will need to submit the first section. Applications will not be reviewed if a student does not complete the entire application, including uploading the resume and essay.

Resume template -- We recommend using this template for your resume.

Essay instructions – Instructions on how to complete the essay portion of the application.

Steps to Apply:

1. Complete the **UTC Admissions Application**. Apply as a **post baccalaureate** student. There is a \$30 application fee unless you have applied in the past. Go here to apply: www.utc.edu/apply.
2. Order and **send transcripts** (official) from all previous colleges to UTC Admissions.
3. Complete the **ABSN Nursing Application**. Access the UTC Application Portal by going to www.utc.edu/apply. Sign in using the same email address and password for your admissions application. Select "**Other Applications**" and then **BSN Program Application (Accelerated Track)**.
