HOUSING REMINDER

As we prepare to welcome another first-year class, on-campus housing for the 2025-2026 academic year will be limited and in high demand for current students. The application may remain open until May 1 or until capacity has been met. We will continue to assign current/returning students from the waitlist as space becomes available. Please note, that this may include overflow housing in a nearby apartment complex or hotel.

We do not guarantee housing assignment.

Students who are approved to live in an RLC are not eligible for the Housing Lottery. The RLC coordinator will include your name on the appropriate roster and you will be assigned to that appropriate community. Students on an athletics team will be assigned by the Housing Office once the coach adds their name to the housing roster for that team.
