The UTC Registrar reserves the right to make schedule changes up to the first day of class. Refer to the Official UTC Class Schedule for the most up-to-date schedule and for course meeting location, day, time, etc.

Explanation of Instructional Delivery Methods

Asynchronous: This delivery method does not include any required meetings, though optional virtual meetings may be offered. Expect to have weekly deadlines that must be met. All coursework deadlines are due at the time stated in the syllabus following Eastern Time Zone.

Face-to-Face Classroom Instruction: This delivery method is a traditional face-to-face classroom delivery with set meeting days and times during which the professor will hold class as specified under the "Delivery & Day/Time" column below. Students are expected to attend class during the specified time and should expect to have weekly deadlines that must be met. All coursework deadlines are due at the time stated in the syllabus following Eastern Time Zone.
