

Spring 2025 Session

Guidance: If you are enrolled in one of the courses below that is supported by a Supplemental Instruction (SI) Leader, we welcome you to attend SI Sessions throughout the semester! Attending SI sessions regularly will help you understand the materials at a deeper level and prepare you more thoroughly for your exams. It is also important to attend sessions for the course section that you are enrolled in – your assigned SI Leader will be reviewing course materials at the pace of your lecture. We hope to see you there!
