

TOWN HALL & AGE-FRIENDLY CELEBRATION

The **Northeast Region's Local Health Departments** will celebrate being recognized as **Age-Friendly Public Health Systems**.

Dr. Ralph Alvarado, University of Tennessee Chattanooga School of Nursing, and the Office of Healthy Aging will join the celebration to kick-off a **Town Hall** series to discuss ways community organizations, health systems, public health organizations, and faith leaders can support older adults in achieving optimal health across the lifespan.

Ralph Alvarado, MD, FACP

Commissioner | Tennessee Department of Health
